1

Select Language

Select your preferred language.

2

Name & Birth

Enter your name and your date of birth.

3

Confirm identity

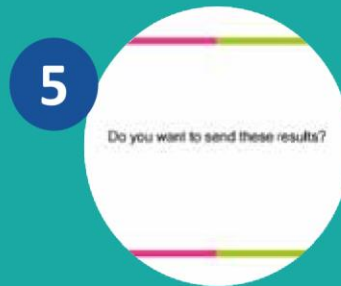

Confirm who you are.

4

Choose test or questionnaire

Choose from the menu the test or questionnaire you would like to complete. If you are unsure "Standard Questions" is a good place to start.

5

Send your results to health record

At the end of each section you will be asked whether you want to send your results. Press **YES** and the results will be posted to your health record

6

Make sure to logout

Please remember to logout when you have finished or if you wish to leave anytime.
